

TUITOO

A **Step** towards Excellence .

What is **Tuitoo** ?

We are educational service provider to children from 1st to 8th class .

We as representative of Tuitoo are trying to give some exceptional educational services to children and making their foundation strong .

Our Services

1. Every children do not get enough attention in the classroom and failed to perform well in the exams .
2. We are here to solve this problem . We are providing one to one home tuition mentorship to your children . Our teacher will help your child to grow their educational and problem solving abilities in one to one home tuition .
3. We care for your children future because your child deserve to grow .

Pros of **Tuitoo** : (For **Students/Parents**)

1. We will be providing best quality education to your children with best teacher .
2. Teacher will come to your home to teach your child so you don't need to worry about your time management to pickup and receive your child.
3. We are giving you 3 days demo class free of cost .
4. We will guide your child for future career .
5. Our teacher will teach your child all courses in one tuition.

And the best thing is that we are giving all these services in very affordable price .

It is not just a tuition , it is an investment for your child's bright future .

Enroll for tuition program and see the your child growth because we don't just teach tuition , we treat our students like our family and their educational growth is our responsibility .

Pros of Tuitoo : For Teachers

1. You don't need to find the school children to teach them , we are here to give you school children .
2. It is part time job for you so you just need to take out 1 or 2 hour from your daily routine.
3. We will be giving you students based on your requirements .
4. We will be giving you best fees of your work. It will be 80 % of child tuition fees.
5. If you give best results of your students growth then we can even increase your fees.
6. On every 6 months we will be sharing our profit's 15% to our teachers .

We are on Mission to bring a
revolutionary change .
